Students are classically trained with an emphasis on challenging each dancer to the highest degree of technical and artistic excellence—appropriate for their ability level.

Jazz

Jazz dance combines high-energy movement with classical dance technique, focusing on leaps, turns, and stylized choreography. This style emphasizes sharp, rhythmic movements and expressive performance qualities.

Contemporary

Contemporary dance blends elements of ballet, jazz, and modern dance, focusing on fluid movements, emotional expression, and innovative choreography. It encourages versatility and improvisation, allowing dancers to connect deeply with the music and their own artistic voice.

Hip-Hop

Hip-Hop dance is a dynamic and energetic style rooted in street dance and urban culture, featuring movements such as popping, locking, and breaking. This style emphasizes rhythm, freestyle improvisation, and a powerful, expressive performance.

Tap

Tap dance is a percussive style where dancers create rhythmic patterns and sounds with their feet, using metal taps on the heels and toes of their shoes. It combines intricate footwork with musicality and timing.

Lyrical

Lyrical dance combines the technique of ballet with the expressiveness of contemporary dance, focusing on fluid movements and emotional storytelling. This style encourages dancers to convey the lyrics and mood of the music through their performance.

Acro

Acro dance is a fusion of dance and acrobatics, emphasizing strength, flexibility, balance, and coordination. Dancers perform gymnastic elements seamlessly integrated with dance choreography.
